C9 (Cont'd) (10) The *Contractor* shall declare if any of the tenderers for the subcontract(s) is its associated company. If the *Contractor* proposes its associated companies to be allowed to participate in the tender exercise(s) for the subcontract(s), it shall submit full justifications for acceptance by the *Project Manager* before inviting any tender for any subcontract *[and post-tender interviews under Clause C9A of these *additional conditions of contract* shall not be conducted in the tender exercise(s)]. C9 (14) If the *Contractor* subcontracts emergency works in relation to public health, public safety, and/or removal of imminent risk to any person, any property and/or the environment, the *Contractor* shall notify the *Project Manager* in writing and seek the *Project Manager's* acceptance to dispense with any procedure set out in this Clause C9. Any dispensation accepted by the *Project Manager* shall not constitute a compensation event and for the avoidance of doubt, the *Contractor* shall not be entitled to any additional time or cost arising from or relating to such dispensation.

Use this Sub-clause (15)(c) only if Mandatory Pre-bid Arrangement for Subcontractor is adopted.

- (1A) (a) Payment disputes which have been determined by a decision of the *Adjudicator* shall not be referred to and settled by the *Project Manager* under sub-clause (1) of this Clause (whether included in a wider dispute or otherwise).
- (b) If a payment dispute is determined by a decision of the *Adjudicator* after reference of the payment dispute (or a dispute which includes the payment dispute) to the *Project Manager* under sub-clause (1) of this Clause but before the *Project Manager* has given its decision on the same, the *Project Manager* shall not give any decision on the same under sub-clause (1) of this Clause. For the avoidance of doubt, the *Project Manager* not giving decision on the payment dispute pursuant to this sub-clause (1A) is not a failure to give a decision under sub-clause (1) of this Clause and the payment dispute cannot be referred to mediation or arbitration, and sub-clauses (3)(e) and (3)(f) of this Clause are not applicable.
- (1B) The *Client* or the *Contractor* may, within 28 days after the day on which an adjudication decision under the SOP Provisions is delivered by the *Adjudicator*, request that the matter be referred to mediation in accordance with and subject to The Government of the Hong Kong Special Administrative Region Construction Mediation Rules or any modification thereof being in force at the date of such request.
- (1C) For the avoidance of doubt, a decision by the *Adjudicator* that it has no jurisdiction to adjudicate all or any part of a payment dispute is not a determination made by the *Adjudicator* of that payment dispute for the purposes of this Clause and an arbitrator appointed pursuant to this Clause is not bound by any decisions made by the *Adjudicator* as to the *Adjudicator*'s jurisdiction in relation to a payment dispute.
- (2) If the matter cannot be resolved by mediation, or if either the *Client* or the *Contractor* do not wish the matter to be referred to mediation then either the *Client* or the *Contractor* may within the time specified herein require that the matter shall be referred to arbitration in accordance with and subject to the provisions of the Arbitration Ordinance and any such reference shall be deemed to be a submission to arbitration within the meaning of such Ordinance.

- G1B** (3) Any reference to arbitration shall be made within 90 days of:
(Cont'd)
- (a) the receipt of a request for mediation and subsequently the recipient of such request having failed to respond, or
 - (b) the refusal to mediate, or
 - (c) the failure of the mediation proceedings to produce a settlement acceptable to the *Client* and the *Contractor*, or
 - (d) the abandonment of the mediation, or
 - (e) where the *Project Manager* has failed to give a decision within the 28 days allowed under sub-clause (1) of this Clause after being requested to do so, the expiry of the subsequent period of 28 days for the *Client* or the *Contractor* to request that the matter be referred to mediation, and neither the *Client* nor the *Contractor* having requested mediation within that subsequent period of 28 days, or
 - (f) where the *Project Manager* has given a decision within the 28 days allowed under sub-clause (1) of this Clause, the expiry of the period of 28 days after receipt of the notice of the *Project Manager's* decision for the *Client* or the *Contractor* to request that the matter be referred to mediation, and neither the *Client* nor the *Contractor* having requested mediation within that period of 28 days, or
 - (g) where a payment dispute has been determined by the *Adjudicator* in accordance with the SOP Provisions, the expiry of the period of 28 days allowed under sub-clause (1B) for the *Client* or the *Contractor* to request that the matter be referred to mediation, and neither the *Client* nor the *Contractor* having requested mediation within that period of 28 days.

G1B (4) The arbitrator appointed shall have full power to open up, review and revise any decision, instruction, order, direction, certificate or valuation by the *Project Manager* or the *Supervisor* and neither party shall be limited in the proceedings before such arbitrator to the evidence or arguments put before the *Project Manager* or the *Supervisor* for the purpose of obtaining the *Project Manager's* or the *Supervisor's* decision above referred to or limited to the evidence and arguments put before any *Adjudicator*. Save as provided for in sub-clauses (5) and (6) of this Clause no steps shall be taken in the reference to the arbitrator until after the Completion or alleged Completion of the *works* unless with the written consent of the *Client* and the *Contractor*.

Provided that:

- (a) the giving of a certificate of Completion shall not be a condition precedent to the taking of any step in such reference;
 - (b) no decision given by the *Project Manager* or the *Supervisor* shall disqualify it from being called as a witness and giving evidence before the arbitrator on any matter whatsoever relevant to the dispute or difference so referred to the arbitrator as aforesaid.
- (5) In the case of any disputes or difference as to the exercise of the *Project Manager's* powers of determination of the *Contractor's* employment, the reference to the arbitrator may proceed notwithstanding that the *works* shall not then be or be alleged to be complete.
- (6) In the case where the contract has been terminated or abandoned, the reference to the arbitrator may proceed notwithstanding that the *works* shall not then be or be alleged to be complete.
- (7) (a) Subject to paragraph (b) and (c) of this sub-clause, the Domestic Arbitration Rules (2014) of the Hong Kong International Arbitration Centre (the Arbitration Rules) shall apply to any arbitration instituted in accordance with this Clause.

Before disclosures are made to the said Committee, the Government party shall inform the other party. Disclosures shall not be made to the said Committee before expiry of the first 6 months from the date of the outcome of the arbitration without the written consent of the other party but such consent shall not be unreasonably withheld. The other party shall be deemed to have given its consent to disclosures on the expiry of the first 6 months from the date of the outcome of the arbitration.
